SKILLS

Programming Languages: Python, C, C++
Databases and Tools: MySQL, Microsoft Excel, Microsoft Word, Microsoft PowerPoint, Arduino
Laboratory Skills: HPLC, GC, sample preparation, solution preparation, titration, pH measurement, analytical techniques, aseptic techniques, QC documentation, laboratory safety
Soft Skills: Problem-solving, teamwork, project management, adaptability

INTERNSHIP EXPERIENCE

QC Laboratory Intern, Oxigen Analytical Laboratories, Baddi, Himachal Pradesh **Jun 2026 – Jul 2026**

- Assisted with HPLC and GC-based analytical testing of laboratory samples in the Quality Control department.
- Prepared samples and solutions following standard laboratory procedures.
- Maintained accurate laboratory data records and QC documentation.
- Followed laboratory safety, cleanliness and standard operating procedures (SOPs) during testing activities.
- Gained practical understanding of the analytical testing workflow, documentation and quality control practices.

PROJECTS

Online Food Delivery System | Python **Apr 2026**

- Developed a Python-based platform for browsing food items, placing orders and managing customer and order information.
- Built backend logic for user management, food selection, order processing and database operations.

Fire and Smoke Detector Using Arduino | Arduino, C/C++, Smoke Sensor, Flame Sensor, Buzzer, LED **Nov 2024**

- Developed an Arduino-based safety system that detects fire and smoke using sensors and raises an immediate alert through a buzzer and LED indicator.
- Integrated sensor inputs with Arduino for real-time monitoring and response.
- Designed and tested the system for early fire and smoke detection, improving response through automated alerts.

CERTIFICATIONS

- Artificial Intelligence Tools Workshop, BE10X (Aug 2026)
- Quality Control Training, Oxigen Analytical Laboratories (Jul 2026)
- Python Complete Course, Udemy (May 2025)
- Hone Communication for Successful Career, Lovely Professional University (Oct 2024)

VOLUNTEER EXPERIENCE

Community Development Program (CDP), Tree Plantation Drive **Jul 2025**

- Participated in a tree plantation initiative focused on environmental sustainability and community awareness.
- Collaborated with team members to support plantation activities and promote environmental responsibility.

ACHIEVEMENTS

- Secured Grade A in Hone Communication for Successful Career, Lovely Professional University (Oct 2024)
- School-level athlete: competed in school athletic events, showing discipline, perseverance and fitness (Jan 2022)

EDUCATION

Lovely Professional University, Punjab, India **Aug 2024 – Expected 2028**
Bachelor of Technology in Biotechnology | CGPA: 6.5

Heritage International School, Palamau, Jharkhand **Apr 2021 – Mar 2023**
Intermediate (Class XII) | Percentage: 77%

Rotary International School, Palamau, Jharkhand **Apr 2019 – Mar 2021**
Matriculation (Class X) | Percentage: 75%
